CONSUMPTION AND LIVER COM-

PLAINT. PRINCH OF LIVERWORT R TALLOR'S BALSON of LIVERWORT has been used successfully for eight years in the Cure of these Diseases 4 - Remember 1 The or ginal and genuiners made over at 375 Howery, New York, Al Lothers are spurious and unauthor

CONSUMPTION STIVER COMPLAINT. As a keneral romady for these diseases I am fully satisfied from long experience, there is no medicine equal to Dr Tylor's Balsom of Liver wort Being purely regetable it can be used with the utmost safety by all persons in every condition It cleanses the lungs by expectoration relieves p follows their use; heazure they cleaned the difficult breathing and he is the chest. There can mach and bowels of their slimy humors which he no question but this medicine so a certain cure for chronic coughs and colds. I have used it for for chronic coughs and colds. I have used it for four jears in my practice, and always with auctors.

A 1 RODGERS, M.D. A PSPITTING OF BLOOD. This disease

consists of a discharge of blood often fraiby-from the mouth, brought up with walking and coughing, and is usually accompanied with difficulty breathing and some pain in the chest. Sometimes it is preceded by an oppression at the chest, a dry sickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption and immediate remedies can alone save this end But Dr Taylor's Balsom of Liver wort is a sure remedy and to shew its unparallelled success certificates of cures from 421 citizens and many physicians will be published in a few

UNFRYOUS DISPASES AND WEAK-NESS Dr Taylor's Balsom of Liverwort made at 375 Bowers, is assuredly an excellent remeds or these diseases. My wife has been more or less ill for ten years. She was extremely nervous and at umes so weak that she could not attend to her domestic duties By the use of this medicine. her strength is wholls regioned and she is as healthy as I can wish her to be My address is at Dr

R. ALLEN'S BALSAM of Horehound, Liverwort and Pleunsy Root, for Con-

Stitting of Blood, Caterrh, Ashma Difficulty of Breathing Pain in the Side Palpitetion of the lleart Oppression and Soreness of the Chest Plearisy Hectic Fever Night Sweats Difficult and Profuse Expectoration, and all affections of the Chest, Lungs and I ver______ The Hoarhound Liverwort, and Pleurisy Koot

have for centuries been celebrated in the cure of diseases of the Lungs and Liver.

Dr B.D Allen, after a series of experiments has been able to extract from these medical nerbs a balsam, which exerts a most wonderful effect in curing Consumption and Liver Complaint and all other diseases of the I ungs and Chest So great has become the reputation of Dr. Allen's Balsam that it is now used in the New York Philadela delphia and Baltimore Hospitals, and in the pri vate practice of our most eminent medical men

Throat this Balsam is of great importance The number of deaths among children from these diseases is truly alarming. If parents wish to save the lives of their children, and themselves Luuch trouble anxiety and expense let them procure Dr B D Allen's Balsam, and whenever a child has taken entd has any fiver, rough, or houseness, give a teaspoonful of this medicine, and repeat it if ne cessary, even one teaspoonful will often effect an entire cure. During the winter of 1859, rising of one thousand families employed this remedy in the city of New York. The consiquence was that the without the German signature on the wrapper and number of steamone children was reduced to introduced on the portom of the misther of less than one half the usual number as may be seen

is the city inspector's report of deaths. In or fer to give the reader some tites of the effieacy of this Balsam and how extensively it is used, we here introduce the monthly report of the curry it performed in the month of May 1879 as furnish ed us by the agent, an I our lished in the New York

"Mo while Report of the cures performed he Dr B.D. Allens, Balsam of Hoarhound, Liverwort and Phenriss Root during the month of May. It

has cured and completed the cure of 1101 th180 ្តconsumpth a វ៉ា Liver complaint 196 Пичрерыа Asthona Palpitation of the Heart Rais ng Blood

THE VETO AND ITS EFFECTS.

We have the Veto, and for a few days pag up to yesterday morning, the Locas as if by concert, throughout the State, have been giving themselves up to the most extravagant demonstrations of joy, and flags, bells, gues, singing and cardading, were all called in aid to manifest their satisfaction. The Whigs were at ed about their cars, and a few faint hearts whis. and healthy condition. Withere no scruples officers in the revenue cutter service was adoptable in its influence upon the party.

what avidity the Locos grasped every rumor approbation of the hole country, and would gress what avidity the Locus grasped every rumor approbation of the hole country, and would the Distribution Hill has taken up and de stee!

and gossip of division and distribution in the Whig with he other popular seasures of President bated till the hope of adjournment. dream that the Whig party was completely ex- administration, and for a time unite all the late to the Fortification Bill was taken up in punged that the Whig party was completely ex- administration, and for a time unite all ring are to the Whole and after some conpunged that the President and the Cabine that conflicting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. We had the Value and steer to the Whole and after some conficulting parties into one. gress were to break up in confusion, and here to promote the heat good of the country, but adjourned. was to be an end of Whig schemes and Whig to place on a firm and immovable basis the projects. No more removals were to take place, present administration. those who were in were to remain in, and as Tue north will be well satisfied with Mr. Ty-

every isal democrat. Another was the purging labor. If they desire the prosperity of the north, ed their confidence the says, and we rejoice offices of sorrupt and incompetent partizing in liet them mutate the mustry and consum of the sto-hear so good an account from him constant. ordinary expenses and the payment of the na- | bisis. tional debt created by the late administration. Another taxorité measure of the Whiga.s. in the distribution among the several States of the prooceds of the public lands. Another which was not so strictly a measure among the people, but the cause of humanity, though opposed by the country.

- In all these great objects the Whigs have the hearty conoperation of our Chief Magistrate. He has been busy at work in removing from office, men. who were unworthy to fill places of trust and emolument, and who by their reckless and example of the Fathers of the Republic, he have gained? With our undoubted majority in and insolent bearing, and by prostituting office. sufficient revenue will now be realized to meet all the exigencies of Government. The Bankof Congress, and has now become a law. The usethe may undoubtedly be said of the bell for the distribution of the public lands, which is the favorite measure of the President. The only present session has just passed a biff for the creation of a Bank which does not meet the approbation of the President. He is not opposed ington assure us, that the framing of such an institution as will meet the approval of the President is now in progress, and which without structions of the people of the Union, his constit goubt will become a law the present session.

'So we sland: Every thing as yet in the full tide of successful progress, and the hopes, wishes and expectations entertained of the new adcongratulate the country and the party upon the favorable posture of affairs. We are glad he holden at the house of ISAAC LEWIS, in Town hall their support of Tyler as auspicious of bet ter times. We hope now to see the hatchet

which preceded them. We have eaid that we are more favorable to We have eaid that we are more favorable to that they had done all that men could do such a Bank as would meet the approbation of under the circumstances. There were now at-Mr. Tyler, then the one he has just vetoed. AROM the premises of the Bhop of N D. New march, on Thursday night last, a second thand from axis, thorough brace WAGON Bangor built, belonging to W. P. Wingate. Said Wagon as natured brown, newly ramular, white new shalls, with two cross bars on them, and had had a step on the nigh shaft, and holes left where it had been taken off, the seat was lighed with black Sheep Skin, no Cushions in it when stoten. Any person who will return said Wagon to either of the subscribers shall be suitably rewarded - N D NEWMARCH.

W. P. WINGATE. Banger, August 9, 1841 PHE MASSACITUSETTS CHARIT-ARLE MECHANIC ASSOCIA-

NHOUNCE to the public that the religion of EXHIBITION for the encouragement of Manufactures and the Mechanic Arts, will be opened at Quincy Hall, in the city of Boston, commencing on MUNDAY, SEP I 20, of the pres-

The officers and trustees for the year 1841, having been vested by the association with full powers to make the necessary arrangements; respectfully invite Manufacturers, Mechanics and Artists. the ingenious and accentific, to offer for Exhibition and Pramium articles in every department of Art Science, and Taste; choice specimens of native skill and ingenuity, useful labor-saving machines, implements of husbandry, and new models of machinery in all their variety in fine every spe-sies of article for any useful or ornamental purpose, made of wood stone, metal or other mate rial The products of the loom in silk, cotton, wool, hemp, flax or hair and all articles devised by female ingenuity, or wrought by their industry,

will have a proper place in the exhibition.

Medals (of gold or silver) or Diplemas will be
awarded for all articles of merit deemed worthy of such distinction, and the Managers pledge themselves that strict impartiality will be observed in their distribution and that competent judges shall be appointed, who in no case will be competitors for promiums on articles exhibited

In the fullest confidence that this notice will meet the early attention of the Manufacturers and Mechanics of Massachusetts, as well as of our aister States, (whom we shall be proud to meet in this glorious field of competition) the Managers will make such arrangements as shall insure a fair and full opportunity for a display of every article which may be entered on or before the 15th of September, and although they will not exclude such articles as may be afterwards offered, Net they cannot promise them so conspicuous a place in the Exhibition as those will have which are earher entered.

Articles intended for Exhibition must be delivered to the Superintendent at Quincy Hall, on or before Wednesday Sept 15th

Articles may be offered by Apprentices (by Press'd C permission of their Masters, who if required, Flannels

must give their names, ages, and the time they have served as apprentices) which will be registered hut will be judged as the productions of Appren

Arrangements will be made to exhibit, in operawhich will render the Exhibition useful and inter

are warranted to be done in a workmanlike man-ice. Clisching it is dring their Wool at the store of J&J TRUE & Co. in Bangor, will-have their Cloth returned at that place free of expense. A few hundred yards of Cloth being on hand, cus tomers from a distance and those who prefer, can Communications relative to the Exhibition may be addressed to WILLIAM WASHBURN, Su perintendent, or HENRY W.
